ALPHA FIRE COMPANY

Do More! Be More!

**Become An Alpha Volunteer Fire
Police Officer!**

Commitment. Character. Skills For Life. What Can Alpha Help You Develop?

Did you ever sit at home and hear the wail of sirens and dream of being one of those first responders heading to an emergency scene? Do you have a desire to do more for your community and be a part of something larger than yourself? Then you should be an Alpha Fire Company Volunteer.

**Business Owners. Nine-To-Fivers. Military Members. College Students. Recent Grads.
Residents...**

The Alpha Volunteer Fire Company is made up of all of the above and more — selfless, motivated members of the Centre Region community who choose to do more, and be more, as Alpha Volunteer Firefighters or Fire Police Officers. Here are the basic requirements for membership:

- Be at least 18 years old
- Must have a high school diploma, G.E.D., or recognized equivalent
- Possess a current, valid United States issued driver's license
- Complete an application and background check
- Complete a pre-training physical (all costs covered by the Firemen's Relief Association of State College).

A Captain and three lieutenants lead the Alpha Fire Police. These officers are responsible for Fire Police Command Operations at scenes and for ensuring that all fire police earn the necessary certifications and are properly trained in traffic control as well as some exterior fire ground operations.

Traffic Unit 5-1 & 5-2

The Alpha Fire Police serve an important role within the fire company. They supplement local police officers when coming to the scene of an emergency. They:

- are among the faces of the Alpha Fire Company. When a resident arrives on the scene in a panic as their home and belongings are being destroyed by flames, we are the compassionate, initial contact that directs them into the scene safely.
- direct motorists around the scene of an accident or explain to them the reason for the delay. As best as we can, we provide information on alternate routes, recognizing that many people do not respond well to a change in their plans.
- assist local and state police with road closures, traffic control, crowd control, missing person searches, parade details, salvage, security, and other tasks as requested.
- provide traffic control and scene safety for our apparatus, firefighters and the public, assist with exterior fire operations as needed, and support the Fire Marshal's investigations.

Within 24 months of joining, you will attend and successfully complete courses in Basic Fire Police, Advanced Fire Police, Hazmat Operations, Emergency Vehicle Driver Training (EVDT), Fire Hydrant Operations, Bloodborne Pathogens, First Aid and CPR/AED. New members are introduced to the company and its operations by completing our Fire Police Pre-Emergency Response Training (PERT) program. In this program, you'll learn the basic structure of the Alpha Fire Company and the structure and role of the Fire Police. Additionally, you'll be prepared for state level training courses. Beyond initial training, members must meet modest annual training requirements from a combination of in-house and outside training.

Upon completion of our Fire Police PERT program, you'll be assigned to a Field Training Officer. You will be introduced to all of the duties of the Fire Police in order to become a fully functioning team member who is capable of independently serving as a Fire Police Officer.

- Training:

Upon completion of the probationary member training requirements specified above, every active member shall, during each subsequent year, diligently participate in training on approved firefighting or emergency techniques. Every member shall participate in at least 30 hours of approved training each year to meet the minimum requirements for membership. Of the 30 hours, 15 must be from in-house, company-wide training. This does not include certification/recertification classes offered by the Alpha Fire Company. The fire chief will designate certain requirements that must be maintained by active members. These will be announced by the fire chief, and members are given an appropriate amount of time to achieve successful completion. Examples of annual requirements: Hazmat Operations Level, Blood Borne Pathogens, and CPR/AED.
- Annual Attendance and Points Requirements (please reference Membership Policy for additional, detailed information):
 1. General Membership:
 - a. Incidents and Shifts – 200 total points (Type 1); 180 shift only points (Type 2)
 - b. Incidents – one point per incident
 - c. Shifts – Five points per twelve-hour shift (Type 1 members must complete at least one four- hour shift per month to receive shift points; only shifts of 8 hours or longer will count toward points for Type 2 members)
- Attend at least 4 company meetings during the year. Meetings are the first Tuesday of each month beginning at 7 p.m. There are a total of 14 meetings each year. This includes an extra meeting on the third Tuesday of the month in May and December. (required for Type 1 members)
- "Beards and facial hair that interferes with the face piece seal are prohibited for all members required to use respiratory protection equipment; this includes long sideburns, goatees, mustaches that extend down beyond the chin, etc. If eyeglasses are worn, the member shall use frames that do not pass through the seal area of the face piece; corrective lens kits are available to any member that needs them through the Firemen's Relief Association of State College." So that the company is uniform in its facial hair policy, all company members (including Fire Police) will comply with the no beard or facial hair requirement. A well-groomed mustache is permitted.

- For this commitment, the Alpha Fire Company provides the probationary member with:
 - ✓ All required protective equipment and an emergency pager,
 - ✓ A pre-service physical exam conducted by our designated physicians group,
 - ✓ Workman’s Compensation and Accidental Death/Dismemberment Insurance as well as a
 - ✓ \$50,000+ death benefit,
 - ✓ All required probationary classes and reimbursement for any pre-approved out-of-pocket expenses while incurred in obtaining the required training,
 - ✓ Annual stipend to reimburse expenses while incurred traveling to and from company activities.

I understand the probationary member requirements and wish to continue with the membership process.
